RESPONSE TO NOTICE OF INCOMPLETE REPLY

Hon. Commissioner of Patents and Trademarks  
United States Patent and Trademark Office  
Washington, DC 20231

Dear Sir:

This paper is submitted responsive to the Notice of Incomplete Reply mailed May 9, 2001.

In this Notice, it is submitted that the submission filed by the undersigned on April 27, 2001, did not contain a Declaration signed by inventor Mark Hill.

Enclosed herewith is a complete copy of the April 27, 2001 Reply, and it will be seen that this Reply did indeed include a Declaration signed by inventor Mark Hill.

Because of the difference in location of the inventors, the inventors signed on different signature pages. Nevertheless, the Declaration is indeed signed by all inventors and it is therefore respectfully submitted that the April 27, 2001 submission was a complete Reply to the

Notice to File Missing Parts of November 27, 2000.

In light of the foregoing, it is believed that the Notice of Incomplete Reply was issued in error, and should be withdrawn, and that the Declaration submitted with the Reply of April 30, 2001, should be accepted.

It is believed that no fee is due in connection with this response. Particularly, it is certainly believed that no further extension of time should be required as suggested in the Notice of Incomplete Reply.

Nevertheless, if any fee is found to be due, please charge same to Deposit Account No. 02-0184.

Respectfully submitted,

MARK MORELLI ET AL.
